"Trees are the best monuments
that a man can erect to
his own memory.
They speak his praises without
flattery, and they are blessings
to children yet unborn."

Living Gifts:

Landscaping LCECP &
The Nature Path Project

Educating and Supporting Children and Families since 1966

Lewis-Clark Early Childhood Program offers two programs for making donations in memory or honor of someone special, or simply to help enhance our programs to better educate and support children and families:

Donate a Tree or plant to the Nature Path in the Playground area.

Donate a Tree or plant to the Landscaping LCECP Project.

"Living Gifts" is an excellent way to honor someone close to you or to remember a special occasion such as the birth of a child, a graduation, wedding, anniversary, or some special achievement. It is an easy way to give lasting recognition to an employee, a client, supervisor, or volunteer.

When you have a tree or plant donated to mark a special occasion, a commemorative card will be sent to the honoree.

To participate in the "Living Gifts": Nature Path or the Landscaping LCECP Project, simply complete the form and mail to us with your check.
